

Bin Changes

SCANIT

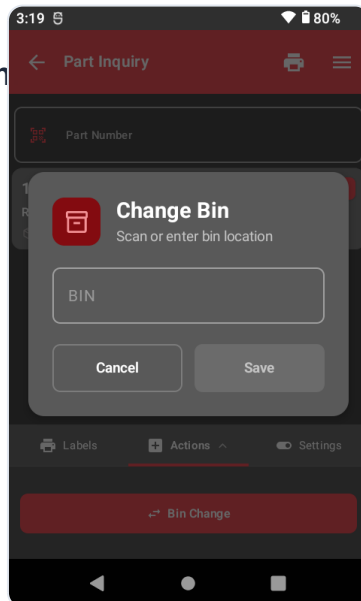

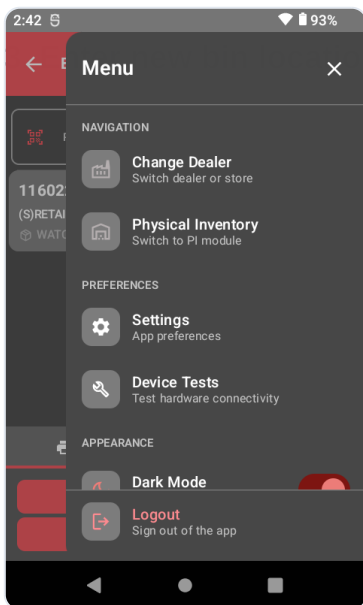

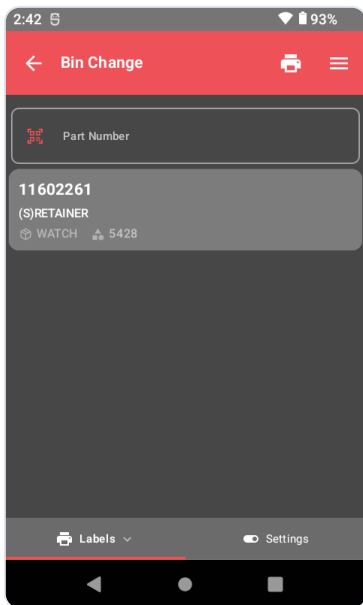

PARTS®

Print History — Tap the clock icon in the top bar to see recent print jobs (part#, label type, time, qty). Available on every screen.

1. Select Bin Changes.

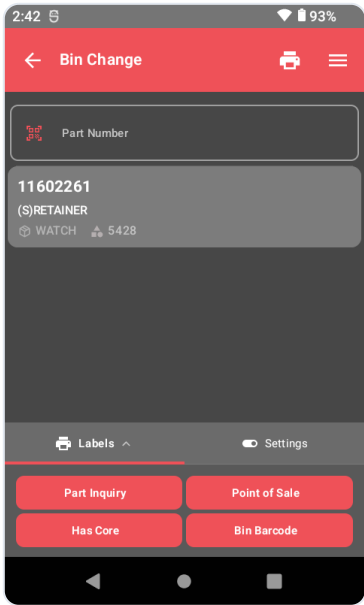

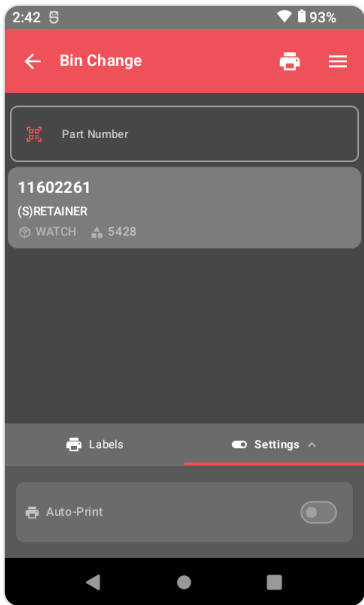

2. Scan/enter part to change.

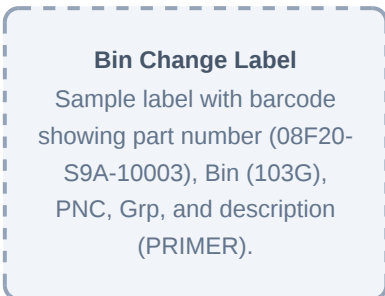

4. There are two options for label printing:

a) Print Mode

- i. Button to the left = you will have to print a label manually
- ii. Button to the right = scanner will automatically print a label

b) Bin Change Label

c) Bin Barcode

Bin Barcode Label

Simple bin barcode label
showing "Bin B2843" with
barcode.
